**Petition to Suspend Action**

Because this petition to suspend action is being filed with a co-pending Petition to Withdraw from Issue, it is also directed to the Technology Center Director for Technology Center 1651. Once the Director grants the Petition to Withdraw from Issue, and the application is withdrawn from issue, pursuant to 37 CFR 1.103(a), Applicants respectfully petition to suspend action in above-captioned patent application for a period of six months, or the longest allowable period of time available for the present application.

The showing of good and sufficient reason why the suspension of action is necessary is as follows. The present application is the subject of a pending lawsuit between Physician's Choice of Arizona (PCA; assignee of the patent application from Margaret Ancira, a named co-inventor) and Mickey Miller (another named co-inventor). Physicians Choice of Arizona, Inc. v. Mickey Miller, CV-2003-020242 (Superior Court of Arizona, Maricopa County). In the course of the lawsuit, a question of inventorship was raised by counsel for one of the parties. At this time, the question of inventorship remains to be resolved. Both currently named inventors, and PCA believe that any question of inventorship should be resolved before the application issues as
